# Student of the Month: Everett M.

**Q: What do you like most about playing the piano?**

A: I like learning how to play songs that I know, like Merrily We Roll Along and Old MacDonald Had a Farm. I also really enjoy playing the duets with my dad. He and I are the only ones that know how to play in our house, so it's a special thing we get to do together.

**Q: Which musicians do you look up to or like to listen to?**

A: I don't know many musicians, so I guess my dad... and Mr. Alek, of course!

**Q: What do you like most about being a Triad Music Academy student?**

A: I like working with Mr. Alek because he's nice and we play games that make it really fun!

**Q: Why did you decide to take piano lessons?**

A: I've always been interested in the piano since there's always been one in our home. My dad would play us songs and I enjoyed plunking the piano keys, so it's fun that I actually know how to make some music on it now. I also wanted to play the same instrument as my dad.

**Q: What other activities do you do besides playing the piano?**

A: I like playing with my friends and brother, building Legos, and playing golf and soccer.

# Dr. Dmitri Shteinberg Masterclass

**On April 29th, four Triad Music Academy students performed in a masterclass at Piedmont Music Center with Dr. Dmitri Shteinberg, Professor of Piano at the UNC School of the Arts. All four students performed well and learned a lot, with an emphasis on finger technique. Congrats to all the students on their musicianship!**
